# GREER GOES GLOBAL

The City of Greer 9<sup>th</sup> Annual  
Juried Art Exhibition

The City of Greer has become an International Destination with the addition of the Inland Port to the GSP Airport and BMW Manufacturing.

To celebrate our diversity, the city will hold an International Festival on April 14, 2018. Because this year's art show is closely tied to the festival, we are offering two themes this year. The theme of Greer Goes Global reflects the diversity of the upstate. Greer: An Upstate Destination includes imagery of downtown Greer and the surrounding area. Both of these themes can be depicted through cultural happenings, events, people, or places.
